

United States Court of Appeals For the First Circuit

No. 09-2571

SAMUEL BARTLEY STEELE, ET AL.,

Plaintiffs, Appellants,

v.

TURNER BROADCASTING SYSTEM, INC., ET AL.,

Defendants, Appellees,

THE AMERICAN SOCIETY OF COMPOSERS, ET AL.,

Defendants.

Before

Boudin, Howard and Thompson,
Circuit Judges.

ORDER OF COURT

Entered: November 9, 2010

Plaintiffs-appellants ask this court to enter "sanctions," including orders for the entry of default judgments, the vacating of district court orders, imposition of costs and attorneys' fees, and disqualification of counsel, against defendants-appellees for alleged misconduct in the district court proceedings. Appellants have failed to demonstrate that there is a necessity for addressing now any of the matters raised, in advance of our resolution of the pending appeals. Appellants' Motion for Sanctions is denied without prejudice to appellants raising in their pending appeals, pursuant to the Federal Rules of Appellate Procedure, those requests for relief over which this court has jurisdiction.

So ordered.

/s/ Margaret Carter, Clerk.
